

# 45" x 45" x 51" Barn Door Container

Bulk Container  
**Express**

The 45" x 48" x 51" barn door bulk container features full-height doors that open all the way down to the base of the container. This design solution makes loading and unloading contents faster, easier, and safer. The full-height doors easily handle large, odd-shaped, or fragile materials and are ideal for loading palletized products directly into the container. For stacking, each barn door container requires a DGL4548 lid. A maximum of two barn door containers can be stacked and require lids. Call 1-800-257-5560 or contact us for volume pricing.

*\*Each barn door container is made to order. Lead times may vary. Please contact us to confirm current shipping times.*

*\*DGL4548 lids are required for stacking a maximum of two barn door containers*

Part #: DGC454851-BD

### Two Metal Full Access Doors

Two full-height doors that open all the way down to the base of the container.

### Bottom Slide Lock

A bottom slide bolt lock keeps the door securely in place by locking into the base of the container.

### Door Slide Lock

A door slide bolt lock keeps the two doors securely in place.

### 4-way Entry
