Part #: BH574532-HB

Product Category: Hopper Bottom Containers

Related Products: DGB574532-L

Industries: Agriculture, food processing, and chemical manufacturing

The 57" x 45" x 32" CenterFlow hopper bottom container, with its smooth, funnel-shaped interior, is ideal for seed, grain, pellets, resins and powders. Made from high-density polyethylene, CenterFlow hopper bottom containers will not peel or splinter and can handle thousands of pounds per load. Increase the efficiency of your operation with the CenterFlow's adjustable slide gate, which allows contents to be emptied in as little as 30 seconds.
