Our 45" x 48" x 25" extra-duty collapsible bulk container is engineered for repeated use under the harshest conditions. This bulk container offers superior quality and value, is in stock, and is readily available for immediate shipment. This extra-duty collapsible container has a 2,500 lb capacity made from high-density polyethylene. The pallet base allows pallet jack and 4-way forklift access for secure and efficient handling. Drop doors on the 48" sides allow for easy access to the contents of the container. This collapsible bulk container is ideal for storing and handling various parts, industrial materials, and commercial supplies. It has a 2.3:1 nesting ratio that maximizes storage space and cuts return shipping costs.

FEATURES & BENEFITS

CORNER DRAIN HOLES

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

FULLY ARTICULATING HINGES

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall

INTERLOCKING WALLS

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.
