

PRODUCT INFORMATION

Part #: DG3032DOLLY

The DuraGreen® 30" x 32" collapsible bulk container dolly is compatible with several collapsible containers in the 30" x 32" footprint. Move bulk containers safely, easily, and quickly between workstations with the 30" x 32" bulk container dolly. The 30" x 32" collapsible bulk container dolly frame has a lip that prevents shifting during transport and includes two swivel and two rigid casters. *6.5" is the height from the floor to the base of the container.

Height	Width	Length	Weight
6.5"	30.5"	32.25"	40 (lbs.)

Swivel and rigid casters

Two swivel and two rigid casters allow for quick, easy, controlled movement.

Protective lip

The frame has a 2" lip that prevents containers from shifting during transport.
