DuraGreen® 45" x 48" bulk bin lids are made to use with DuraGreen® bulk bins. They are used extensively by the food processing industry for their superior durability, splinter-resistant plastic, nonporous surfaces, lightweight construction, and rounded corners. Made from FDA-approved, premium, injection-molded plastic, the lids are certified safe for use with food products. The lids are stackable, easy to clean, and are 100% recyclable. White color.
