

# 48 x 48 Bulk Bin Lid

## PRODUCT INFORMATION

Part #: DGM4848-L

Related Products: DGM484853-V  
DGM484853-S

The DuraGreen® 48" x 48" lid is manufactured with the same plastic and high-pressure injection molding process as the DuraGreen® and agricultural bulk bins. 48" x 48" Bulk Bin Lids are durable, resistant to warping, and designed to protect your produce and reduce the risk of contamination. They fit securely and remove easily for quick product coverage or access.

Height	Width	Length	Weight
3"	49"	49"	17.7 (lbs.)
