

90 x 48 x 50 Extended-Length Collapsible Bulk Containers

PRODUCT INFORMATION

Part #: DGX904850-2

Product Category: Collapsible Bulk Containers

Related Products: DGX9048-L-M

Industries: Automotive, appliance,
& transportation equipment

The 90" x 48" x 50" bulk containers, an exclusive offering from RPP Containers, are designed to handle, store, and transport extra-long, hard-to-fit parts, making them a unique and valuable solution for your business needs. The 90" x 48" bulk containers have open grid floors to provide extra strength while lowering shipping weight, feature two drop doors for easy access, and are built with forklift access. Overall, 90" x 48" extended-length bulk containers are versatile and essential tools for businesses that require reliable and cost-effective storage and transportation solutions.

Weight Capacity*(lbs.)	1,200*	Fork Lift Entry	Yes
Tare Weight (lbs.)	400	53' Trailer Load	28
Floor Type	Grid	53' Trailer Collapsed	42

FEATURES & BENEFITS

SPRING LOADED LATCHES

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

INTERLOCKING WALLS

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

OPEN GRID FLOOR

The open grid floor provides exceptional strength while lowering shipping weight and conforming to manufacturing facility fire codes.
