

PRODUCT INFORMATION

Part #: HDR784834

Product Category: Collapsible Bulk Containers

Related Products: DGX7848-L-M

Industries: Automotive, appliance,
& transportation equipment

The 78" x 48" x 34" extended-length bulk container, with a 1,500 lb. capacity, is built for long life and years of reliable service. This extended-length container is stackable and easy to assemble and knock down. Two drop doors on the 48" sides allow easy access to contents. A pallet-style base for forklift access provides safe, easy handling. The collapsible design increases storage efficiency and reduces shipping costs. This versatile collapsible bulk container is ideal for a wide range of shipping and storing applications in the automotive, appliance, and transportation equipment industries.

• Minimum order of 136 containers

Weight Capacity*(lbs.)	1,500*	Fork Lift Entry	Yes
Tare Weight (lbs.)	234	53' Trailer Load	48
Floor Type	Solid	53' Trailer Collapsed	128

FEATURES & BENEFITS

SPRING LOADED LATCHES

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

CORNER DRAIN HOLES

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

INTERLOCKING WALLS

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.
